LOOKING FOR VOLUNTEERS FOR THE PTA NOMINATING COMMITTEE

It is now time to put a nominating committee together to help select next year's PTA Board. If you have some PTA knowledge (worked on a committee, helped organize an event) you would be a great person to have on the committee. (Being on the committee does not commit you to being on the board yourself). If you would like to be considered or need more information please contact Ms. Small, Music Teacher (jsmall@wcpss.net) Thanks!

APRIL SHOWERS BRING CHANGE POWER

Your change can make a big difference. Please join the Green Hope Family in helping to raise money for St. Jude's Hospital.

St. Jude is unlike any other pediatric treatment and research facility. Discoveries made here have completely changed how the world treats children with cancer and other catastrophic diseases. With research and patient care under one roof, St. Jude is where some of today's most gifted researchers are able to do science more quickly.

St. Jude researchers are published and cited more often in high impact publications than any other private pediatric oncology research institution in America. St. Jude is a place where many doctors send some of their sickest patients and toughest cases. A place where cutting-edge research and revolutionary discoveries happen every day. They have built America's second-largest health-care charity so the science never stops.

All patients accepted for treatment at St. Jude are treated without regard to the family's ability to pay.

We are collecting any loose change that you may find in the front of the school starting April 6th. Thank you for your support and generous help. The Character Education Committee.
