Annual GHE Book Swap (Tracks 2 & 4)

What is the Book Swap? a one-time opportunity for students to trade their personal, gently used paperback books with other students. (No money is involved).

Where is it? GHE Library Media Center

When is it? June 24 (Tracks 2 & 4)

Why have a Book Swap? The school year is almost over and students will not be able to circulate books, but they need to continue reading. The **Book Swap** will provide fresh reading material for them!

How does it work? Students will begin bringing Book Swap books on June 18. Plastic bags with each child's name will be given to teachers.

Children may bring in 1 to 10 gently-used books (usually paperbacks) that they have finished reading. The books are returned to the classroom teacher where they will be placed in the child's book swap bag and then taken to the library. In the library, we will count the books and record the number on the bag. The empty bags will be returned to the teacher on the day of the **Swap**. At the scheduled class time, the students who are participating in the **Swap** will come to the library and choose the number of books written on their bag.

Thank you for your support in making the **Book Swap** a huge success!
