

FRIDAY FALCON

JULY 11, 2008

A Word from Your New Editor...

Hello and welcome to Green Hope Elementary! I just wanted to introduce myself and tell you a little bit about my new role as Editor for the Friday Falcon. My name is Andrea Forbis and I am the new VP of Membership & Services for GHE. I will do my best to continue in the footsteps of Kim Wegler and Katie Wrege who were our Editors last year. We will miss them both, but they will be sticking around to help us out whenever we need them. Since they set up a wonderful schedule, I will continue to follow along. Therefore, if you need to submit a publication to be printed in the Friday Falcon, please send an e-mail to fridayfalcon@gmail.com. Please note that all submittals must be received by Tuesday at 5:00 to be included in the current week's Friday Falcon. Anything submitted after Tuesday at 5:00 will be included in the Friday Falcon the following week. If you have any questions, please feel free to e-mail me at a4bis@nc.rr.com. Thanks and I look forward to working with you!

Andrea Forbis, PTA VP of Membership & Services

PTA Meeting – Mark Your Calendar!

Please join us on Thursday, June 17th from 10:00-11:00 (location to be determined). The PTA will be discussing the 2008-2009 budget. Everyone is welcome to attend.

Do You Want to Help?

The Hospitality team will be holding a meeting next Wednesday, July 16th at 9:15 in the cafeteria. Maria Scheel, VP of Hospitality will be there to let you know how you can help out in the 2008-2009 school year. ALL ARE WELCOME!

GHE Care and Share

The GHE Care and Share committee is here to help families benefit from the strong sense of community we share here at Green Hope. This dual purpose committee serves both as the school's Welcome Wagon and assists GHE families in times of need (illness or other difficult situations). If you know of a family who may need our help, please contact Dawn Wozencroft at 372-1535 or by email at dwoz97@aol.com.

Upcoming Dates

July 15	Kindergarten Information Session - Tracks 1, 2 & 3
July 16	Hospitality Meeting
July 22	Open House Tracks 1, 2 & 3
July 24	Room Parent Meeting // Meet the Teacher Track 4

Challenge of the Week!!

Hey Kids! This section is just for you. See how you do. The answer will be in next week's Friday Falcon.

As you know, one way to tell an insect from a spider is to count its legs. All insects have six legs, and all spiders have eight legs. So if some insects and spiders went to a dance and there were 48 dancing legs, how many insects and how many spiders were at the dance?
